

Treehouse Ghana Instagram Intelligence Report

Public engagement, audience intent, and content strategy analysis

Executive Summary

The public profile dataset shows 27,386 followers at collection time and includes 135 owned feed posts, 84 reels, 21 third-party mentions, and 106 comments from selected top posts. The analysis covers 135 posts, 84 reels, 21 mentions, and 106 comments.

Top Content Pillars

Pillar	Posts	Likes	Comments	Engagement	Interpretation
cocktails/drinks	11	132	2.91	289.59	Drinks content can support nightlife, after-work, and group-visit occasions.
events/live music/DJ	8	121.75	2.38	251.93	Event content needs clear dates, artists, times, and booking instructions.
ambiance/decor/vibe	15	123.07	14.2	232.75	Vibe-led content sells the venue experience and should be paired with reservation details.
dinner/nightlife	17	86.71	2.06	197.94	Evening content should highlight atmosphere, availability, and weekly rituals.
promotions/offers	2	72	1	143.81	Offers should be tested with clear expiry dates and measurable response prompts.
food	111	61.42	0.98	133.73	Use appetising food visuals with direct menu and booking prompts.
general brand/content	33	57.15	2.79	80.36	General brand content; use stronger occasion, menu, or booking cues.
price/value	2	54	1	79.84	Price questions can be reduced with menu previews and package framing.
birthdays/celebrations	6	31.67	0.33	76.73	Celebration intent can convert into group bookings and packages.

date night/romance	12	49.25	0.42	76.07	Position Treehouse as an occasion venue with couple-focused calls to action.
reservations/bookings	2	19	0	35.54	Booking language should be more visible on high-performing posts.

Comment Intent

Intent	Count	Percent	Opportunity
generic/unclear	86	81.1%	Useful brand warmth, but convert with clearer next steps.
generic praise	8	7.5%	Useful brand warmth, but convert with clearer next steps.
positive ambience praise	5	4.7%	Use ambience comments as proof for venue positioning.
location/access question	5	4.7%	Pin address, parking, map, and arrival guidance in captions and highlights.
event interest	3	2.8%	Create event posts with dates, times, line-up, and reservation CTA.
date-night/romantic ambience	3	2.8%	Package ambience-led content around date-night reservations.
menu/food curiosity	2	1.9%	Use captions and carousel slides to answer menu questions before users ask.
service issue/complaint	1	0.9%	Track and resolve operational issues privately; avoid letting concerns sit unanswered.
price/value concern	1	0.9%	Add menu ranges, bundles, or occasion packages where commercially appropriate.
booking/reservation intent	1	0.9%	Reply quickly with booking link or WhatsApp prompt and save FAQs to highlights.

Recommendations

1. Post more of the strongest occasion-led pillars.
2. Use reels for discovery and add direct booking prompts.
3. Turn repeated comments into caption FAQs and highlights.
4. Track public engagement score by pillar monthly alongside native analytics.

Limitations and Ethics

This report is based on public Instagram data analysis. It excludes private Instagram analytics such as impressions, reach, saves, shares, profile visits, link clicks, and DMs. Conclusions are directional, not absolute.
